

Non Daily Creamer Application

Premix Beverage

FES NDC is perfect for use in premix beverage sachet mixes, like in coffee, cocoa, cereal and tea mixes. The good solubility creates the perfect blend of coffee, cocoa and tea.

Ready-to-drink

FES NDC solubility and stability make it perfect for tea or coffee sold in Can or PET bottles.

Food Service

FES NDC is used to enrich popular hot and cold on the go beverages like Hong Kong and Taiwan style milk tea and bubble tea.

Pastry

FES NDC work on cake fillings, garnish looking deliciously appetising by maintaining aeration, taste and stability.
